The quantities noted in the schedule are approximate and the actual quantities to be purchased during the year may be either more or less. If quantities more than those mentioned in the schedule are required, the successful tenderer will be expected to supply such additional quantities at the accepted tender rates.

No claim for compensation on account of rise in prices due to whatever causes will be entertained during the contract period.

The successful tenderer should be prepared to supply such quantities of various articles, as may be required from time to time, such indents being complied with within three days from the date of their receipt.

The undersigned does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

The name of the successful tenderer will be intimated in due course and he will be required to execute an agreement within three days from the date of acceptance of tender.

Fractions of a rupee in the totals of bills amounting to Rs. 25 or more will be rounded to the nearest rupee, *i.e.*, fractions of less than half a rupee will be disregarded and half a rupee and over reckoned as a rupee.

The totals of bills for less than Rs. 25 will be rounded to the nearest anna.

The articles to be supplied should be good and up to standard. They will be liable to be rejected if they are otherwise.

The earnest money deposited with the tender will be forfeited to Government if the tenderer whose tender is accepted fails to execute the necessary agreement. The earnest money on rejected tenders will be returned.

If the successful tenderer fails to comply with any of the conditions stipulated in the contract let to him, his contract will forthwith be cancelled and earnest money forfeited to Government. In the event of the successful tenderer failing to fulfil his contract within the specified time, the undersigned reserves the right to purchase against him in the open market at his risk and expense and claim damages.

The rates quoted for each article will be considered as a separate tender by itself.

K. M. GURURAJA RAO,
Assistant Director.

OFFICE OF THE EXECUTIVE ENGINEER, DAM CONSTRUCTION AND No. I IRWIN CANAL DIVISION, KRISHNARAJASAGARA.

Notification dated 26th June 1933.

It is hereby notified for the information of the public that the unserviceable tools and plant articles as noted below will be sold by public auction from 8 A.M. to 10 A.M., on 17th July 1933, and on subsequent days, if necessary, in the Sub-Divisional Store Yard at French-Rocks. The auction will be conducted by the Assistant Engineer, No. 2 Irwin Canal Sub-Division, French-Rocks.

Conditions of sale.

1. The articles will be knocked down to the highest bidder.

2. The highest bidder should deposit 25 per cent of the amount immediately on the spot when the lot or lots are knocked down in his favour. Such amounts shall be forfeited to Government in case of any defaulter to pay the purchase money in full before sunset on the same day. The relative articles will be resold at the risk of the original bidder who shall be liable for all losses without any participation in the profits that may be realized.

3. All articles purchased shall be kept at the risk of the purchaser thereof from the time of sale.

4. All lots shall be removed with faults, and errors of all descriptions as sold.

5. In case of heavy machinery articles such as trucks and trollies, mortar mill parts, pump, etc., the sale is subjected to the confirmation of the Chief Engineer.
